

# February

Greetings GQ Members,

I hope you all had a chance to enjoy a wonderful holiday season and that you are looking forward to an exciting year ahead at your club. Moving into the New Year, our staff is continually looking for ways to improve our service and facilities for the benefit of our members and guests. As you know, the GQ always asks for your comments and opinions on how we are doing, and what we can do better. The member survey is particularly helpful, as we review every comment and are doing our best to incorporate some of the suggestions into action, so please help us complete a two-minute survey to share your feedback [here](#):

We have made a few new changes going into the New Year that we hope will make an impact on you, the club and our community. Our goal this year is improve our service, attention to detail and to take care of the little things that make a difference. We value your opinion and strive every day to provide the friendly, efficient service with a smiling face and a positive, can-do attitude. We also listen to what you say, and while we can't address every need or desire, our staff will do our very best to make sure you and your guests are well taken care of. So please, if you have any comments or suggestions, to reach out to the GQ Management at [info@gqlagos.com](mailto:info@gqlagos.com).

Now, it's our turn to ask our members to do something for us. We need you to be our ambassadors, our sales associates in the community. For your next gathering, reception, or meeting, come and experience the warmth and hospitality that the GQ offers to our members. Our bar, restaurant, and garden can accommodate groups from 20 to 250. Let the GQ team take the stress out of your event. Whether it is a business meeting, luncheon, private dinner, banquet, cocktail party, or reception, our team is ready to make your event special.

All the best,  
The GQ Management Team
