

Greetings GQ Members,

From the GQ family to your family, we truly wish you 12 months of success, 52 weeks of laughter, 366 days of fun, 8784 hours of joy, 527040 minutes of good luck and 31622400 seconds of happiness.

As we turn the page on another year, we just keep getting better and better, and we can't wait to share some of the new things we have planned for you! We have begun the project of upgrading the tennis court to a multi-purpose court so it could be utilized for other sports such as soccer and volleyball when tennis is not played. The basketball court will be renovated shortly after the tennis court project. The process of renovating the bar has already started and we believe it will enhance the member's dining experience at the GQ. Thank you for your patience and cooperation during the time these renovation projects take place.

We have also begun some new initiatives that we think will benefit the environment. One of the issues we are addressing is trying to reduce the tremendous amount of paper towels that we use daily by replacing them with cloth towels. Now you can be clean and green whenever you are at the GQ. We are also trying to reduce the use of plastic bags at the GQ and replacing them with brown bags. The cost to make this change is significant, so starting February 2020, we will be charging 30 cents for each bag to help offset the additional expense.

We realize you choose where you spend your extra time, and our desire is that you choose to spend it with us. Our staff is making a resolution to meet or exceed your expectation every time you are at the GQ. Whether it's at the bar, at the pool or on the tennis court, we need to, and we can do better. So please continue to let us know when we do well, and where we can improve.

Finally, we wish to thank you for making 2019 a memorable one for us. We look forward to making more fond memories in 2020. Happy New Year!!
